All

I just learned that the Court granted the Second Unopposed Motion to Modify Consent Decree. (Order attached)

In doing so, the Court ordered that Paragraph 7 of the Consent Decree entered on September 27, 2011,

(Doc. # 67), and as modified by its Order dated December 13, 2012 (Doc. # 71),

is further modified as follows:

“EPA shall by January 10, 2014, sign a notice of final rulemaking promulgating a FIP for the State of Wyoming, to meet the regional haze implementation plan requirements that were due by December 17, 2007, under the requirements of 40 C.F.R. § 51.309(g), unless, by January 10, 2014, EPA has signed a notice of final rulemaking unconditionally approving a SIP, or promulgating a partial FIP and partial unconditional approval of a SIP, for the State of Wyoming that meets the regional haze implementation plan requirements that were due by December 17, 2007, under the requirements

of 40 C.F.R. § 51.309(g).”

Let me know if you have any questions.
